Private sellers are your best bet but I have seen some paddles that have been manufactured to fit this prized bread machine for most models. Dak and Welbilt were made by the same manufacturer and so a part may be interchangeable. Remember the bread machines listed below all use the same paddle and gasket. Developers who want to access USB devices from their embedded systems will find a helpful resource in USB Embedded Hosts: The Developer ' s Guide. This new book from the author of USB Complete shows how small systems can take advantage of the same wealth of USB devices available to conventional PCs. The book begins with a review of USB host communication protocols. Readers then learn which USB host requirements are relaxed for embedded systems and what new requirements some embedded systems must meet. To help in selecting a development platform, the book explores available hardware and software for USB host communications in small systems. The heart of the book focuses on communicating with USB devices. The topics (with example code) include USB drives, keyboards, virtual serial ports, network bridges, mics, speakers, video cameras, and printers, plus devices that don ' t fit defined USB classes. Also discussed are systems that support both USB host and device functions. The example code is written for the BeagleBoard-XM open development board using a distribution of Linux targeted to small systems. Also covered is how to use Linux commands and utilities to learn about, monitor, and debug communications with USB devices.

More than once, Carl Reiner has had friends say, "Hey, Reiner, you ought to write those things down." And at eighty, he finally has. In this funny and engaging memoir, one of the best raconteurs on the planet recalls his life in show business in short comic takes. Reiner tells of how, after answering an ad for free acting classes on his brother Charlie's advice, he forsakes a budding career as a machinist for an acting career. In "Sidney Bechet and His Jazz Band Meet Franz Kafka," he captivates the legendary jazz man and his band with an unusual reading of The Metamorphosis, during a thunderstorm at a Catskills resort in 1942. Reiner also recalls the highlights of his first sweaty audition, impersonating a dog impersonating movie stars; his forays into the theater; his work on Your Show of Shows and The Dick Van Dyke Show during TV's golden days; and his long friendship and collaboration with Mel Brooks which gave birth to the Two Thousand Year Old Man. In "A Recipe to Remember," he recites a recipe for cream cheese cookies to a star-studded audience that includes Paul Newman, Leonard Bernstein, and Barbra Streisand. In "The Gourmet Eating Club," he gives an insider's take on the now-legendary group that included Mario Puzo, Joseph Heller, Zero Mostel, and other luminaries. Mary Tyler Moore, Sid Caesar, Mickey Rooney, Johnny Carson, Cary Grant, Dinah Shore, Ann Bancroft, Jean Renoir — the list goes on and on — also appear in what Reiner calls the "literary variety show" that captures the highs and lows of his extraordinary life. Through it all, Reiner displays the wit and warmth that have made him one of the most beloved figures in the entertainment business. This charming memoir will delight anyone who wants a behind-the-scenes look at five decades of Hollywood and television history.

A rich collection of vivid photographs, capturing images of the homes, cultures, people, and streets of the communities of the Cape Flats. Working during the late 1980s, Ladochowski highlights the vibrant cultures of the area. "Cape Flats" refers to the vast stretch of exposed sandy wetlands that lie north of Table Mountain and which now forms a large part of the metropolitan region of Cape Town. Racked by the harsh south-easter and frequently flooded in winter, the Cape Flats is highly unsuitable for residential purposes. But today it has become home to close on a million people. It was here that the apartheid government forcefully removed and restricted the 'non white' population of Cape Town under the Group Areas Act. The creation of the 'Townships', defined by the Oxford Dictionary as "planned urban settlements of Black Africans or Coloreds", represented apartheid's attempt to plan, control, and regulate the lives of the Black majority. Far from being simply art-for-art's sake, much of this creativity is essentially functional and inextricably linked to the social fabric of the townships. For example, a decorative mural is on a wall that holds up a house; an artistic shebeen sign points people to a place of social activity; a display of religious paraphernalia provides the setting for a "home church". This documentary project was in no way an attempt at appropriating cultural artifacts from the townships. The creativity explored here does not offer any catalogue of township art available in the city's art galleries or craft markets, nor should it be read as an itinerary for an authentic township tour. It is rather an attempt to respectfully reveal aspects of our township culture that have hitherto remained largely hidden as peoples' protected spaces.

The spiritual leader of Eckankar tells stories about small miracles and gifts from God that happen in everyday life--the spiritual good news of today--as he helps readers see the deeper truths from within and apply them to life now.

Paranormal romance is a supernatural force to be reckoned with. Although packed with a menagerie of werewolves, shapeshifters and assorted demons, its undisputed king is none other than our favourite centuries-old bloodsucker - the vampire. We're now living in a post-Buffy world of dark urban fantasy à la Laurell K. Hamilton's Anita Blake, Sherrilyn Kenyon's irresistible Dark Hunters and the blood-lusting soul mates of Christine Feehan. But it doesn't stop there. This Mammoth collection opens a vein to reveal the mind-boggling scope of the supercharged phenomenon created when vampires met romance. Let the biggest and brightest names in the paranormal romance business take you hot on the haemoglobin trail of the sexiest creatures of the night. Witness the bewildering array of complex vampire codes of conduct, dark ritual and dating practices, as they chat up the locals and engage in the most erotic encounters you will sink your teeth into this side of un-Death. These ain't your mother's vampires!

I Remember Me weaves an American tapestry of colorful tales, beginning with the timid musings of a young boy on the verge of becoming a man in the Jewish section of New York ' s Bronx neighborhood, and bringing us up to date with the mature insight of a man whose remarkable trajectory has sent him to the top of Hollywood ' s elite and sparked the careers of dozens of household-name entertainers. Along the way, Reiner treats his loyal readers to everything from the ordinary to the truly unforgettable: a family trip to a nude beach, French lessons with Mel Brooks, a chapter dedicated to Rinnie the dog who unfortunately mistakes a skunk for a cat, a surprise early-morning visit from the McCarthy era FBI, a heart wrenching story of loss describing the day of his wife ' s passing, and then in a revealing chapter of Reiner ' s character, he describes " the most theatrically triumphant day " of his young career. Through his memoir, we meet the man behind the success in roles rarely seen before: son to Romanian immigrant Irving Reiner, husband to fellow Bronx native and renowned singer Estelle Reiner, father to the prolific filmmaker Rob Reiner, Dr. Annie Reiner psychoanalyst & gifted singer, and Lucas Reiner, a globally recognized fine artist. Written with the same combination of playful jest and modest humility that has garnered the love and respect of fans for generations, I Remember Me remembers the creative and inspiring journey of one of the most revered comedic icons of the past hundred years. " Carl Reiner is at that wonderful point in life where he knows absolutely everything. Especially, how to tell a wonderful story. I just love being in his world and this book is the Grand Tour. " Jerry Seinfeld " Great stories from the great Carl Reiner. I liked Chapter 29 the best. " Albert Brooks " At a time when so much of comedy can be cruel and mean spirited... Carl Reiner is a perfect example of comedy and kindness mixed with just the right amount of biting wit to make for a really satisfying read. " Jay Leno " Crime and Punishment has always been my favorite book... Until Now! " Mel Brooks

Mallard Fillmore lampoons everything from political correctness to Phil, Oprah, and Geraldo to our government's insatiable appetite for spending our money. His marvelous supporting cast includes wickedly wonderful caricatures of everyone who's anyone, from Hollywood to D.C. to Arkansas.
