Selling for 37% less would mean selling for only \$251,370 — a loss of \$147,630 in potential profits. Sell fast and get a great price on your home. List with a top agent to sell fast and close for a fair price.

"We cannot change the cards we are dealt, just how we play the hand."---Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave--"Really Achieving Your Childhood Dreams"--wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have...and you may find one day that you

have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

GET INSIDER SECRETS on how to sell your own business. For years David C Barnett met with business owners and showed them that he could get them the maximum value for their business, now he shares these secrets with you. When it comes time to retire, divest or simply move on to something else and you want to sell your business; read this book. You'll learn: -When you should use a qualified business broker and when you should not -How to sort the qualified brokers from the charlatans -How the process should work -What you should pay for a good broker's services -What telltale signs to avoid What if you decide to sell it yourself? You'll learn: -The process of 'For Sale by Owner' private business sales -How to properly impress a buyer -How not to scare off a buyer with rookie Do-it-Yourself mistakes -How to find the right help for certain specific tasks that brokers usually do for their clients In the end, if you want to do the work, you too can sell your own business and save paying a broker's commission.

The end of one thing is just the beginning of something new in this innovative picture book--and in life Starting a book at the end may seem confusing. But prepare to have your mind blown, because the end isn't really the end--it's just the beginning of something new We all face difficult endings--it's an inescapable fact of life. Now Mike Bender offers a comforting and inspiring message about new beginnings. Accompanied by Diana Mayo's beautiful and gentle illustrations, this story is perfect for read-alouds and graduations and will make a wonderful gift for all ages.

That the Beatles were an unprecedented phenomenon is a given. In *Can't Buy Me Love*, Jonathan Gould explains why, placing the Fab Four in the broad and tumultuous panorama of their time and place, rooting their story in the social context that girded both their rise and their demise. Nearly twenty years in the making, *Can't Buy Me Love* is a masterful work of group biography, cultural history, and musical criticism. Beginning with their adolescence in Liverpool, Gould describes the seminal influences--from Elvis Presley and Chuck Berry to The Goon Show and Alice's Adventures in Wonderland--that shaped the Beatles both as individuals and as a group. In addition to chronicling their growth as singers, songwriters, and instrumentalists, he highlights the advances in recording technology that made their sound both possible and unique, as well as the developments in television and radio that lent an explosive force to their popular success. With a musician's ear, Gould sensitively evokes the timeless appeal of the Lennon-McCartney collaboration and their emergence as one of the most creative and significant songwriting teams in history. Behind the scenes Gould explores the pivotal roles played by manager Brian Epstein and producer George Martin, credits the influence on the Beatles' music of contemporaries like Bob Dylan, Brian Wilson, and Ravi Shankar, and traces the gradual escalation of the fractious internal rivalries that led to the group's breakup after their final masterpiece, *Abbey Road*. Most significantly, by chronicling their revolutionary impact on popular culture during the 1960s, *Can't Buy Me Love* illuminates the Beatles as a charismatic phenomenon of international proportions, whose anarchic energy and unexpected import was derived from the historic shifts in fortune that transformed the relationship between Britain and America in the decades after World War II. From the Beats in America and the Angry Young Men in England to the shadow of the Profumo Affair and JFK's assassination, Gould captures the pulse of a time that made the Beatles possible--and even necessary. As seen through the prism of the Beatles and their music, an entire generation's experience

## Read Free Where Can I Sell My International Edition Textbook

comes astonishingly to life. Beautifully written, consistently insightful, and utterly original, *Can't Buy Me Love* is a landmark work about the Beatles, Britain, and America.
