Very little is known about the life of Jesus. The gospels were written to propagate an image of Jesus as the prophesied Messiah, and give few details of his life. Moreover, most of the fundamental tenets of Christianity are not derived directly from the gospels but from the teachings of St Paul. Between and indeed within these sources there are baffling inconsistencies. This book seeks, as far as possible to uncover the historical figure of Jesus, and to explore what it was about his teaching that created a dedicated and able following that propagated a religion in his name. It also traces the

life and teachings of St Paul, asks what Paul knew of the man, Jesus, and suggests that there may have been a conspiracy between Paul and Peter to disseminate a selective and distorted image of Jesus' life, character and teaching.

In this highly controversial and explosive book, archaeologist, historian, mythologist and linguist Acharya S. marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies, mystery schools and religions in order to unify the Roman Empire under one state religion. In developing such a fabrication, this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era, and reworked them for centuries into the religion passed down to us

today. Contrary to popular belief, there was no single man who was at the genesis of Christianity; Jesus was many characters rolled into one. These characters personified the ubiquitous solar myth, and their exploits were well known, as reflected by such popular deities as Mithras, Heracles/Hercules, Dionysos and many others throughout the Roman Empire and beyond. The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior-gods Krishna and Horus, who for millennia preceding Christianity held great favor with the people. The Christ Conspiracy shows the Jesus character as not unique or original, not “divine revelation.” Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces. The result of this myth making has been “The Greatest Conspiracy Ever Sold.” .

Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. tells the inside story of Jesus' social, family, and political life. The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, The Lost Gospel reveals secrets that have been hiding in plain sight for millennia.

Before there were worshippers of Jesus, there were followers of Jesus. Before there were organized churches with creeds and doctrines, there were small communities of love, equality, and sharing dedicated to the practice of Jesus' teachings and committed to a wholly new way of living. Today, the churches of the Global North are in decline and younger generations no longer seek meaning there. Traditional "church Christianity" is gradually giving way to some new way of faithful living. From a Nazi prison cell, German pastor Dietrich Bonhoeffer imagined a future "religionless Christianity" consisting of contemplative prayer and righteous action in the secular world. The authors of this book claim that the Turin shroud is in fact genuine and was the subject of a Vatican plot in 1988 to prove the shroud as a fake. The shroud is said to be proof that Jesus was alive when he was taken down from the cross and placed in the tomb, thus throwing doubt on the Resurrection.
