

Brexit will have significant consequences for the country, for Europe, and for global order. And yet much discussion of Brexit in the UK has focused on the causes of the vote and on its consequences for the future of British politics. This volume examines the consequences of Brexit for the future of Europe and the European Union, adopting an explicitly regional and future-oriented perspective missing from many existing analyses. Drawing on the expertise of 28 leading scholars from a range of disciplines, *Brexit and Beyond* offers various different perspectives on the future of Europe, charting the likely effects of Brexit across a range of areas, including institutional relations, political economy, law and justice, foreign affairs, democratic governance, and the idea of Europe itself. Whilst the contributors offer divergent predictions for the future of Europe after Brexit, they share the same conviction that careful scholarly analysis is in need – now more than ever – if we are to understand what lies ahead for the EU. Praise for *Brexit and Beyond* 'a wide-ranging and thought-provoking tour through the vagaries of British exit, with the question of Europe ' s fate never far from sight...Brexit is a wake-up call for the EU. How it responds is an open question—but respond it must. To better understand its options going forward you should turn to this book, which has also been made free online.' Prospect Magazine 'This book explores wonderfully well the bombshell of Brexit: is it a uniquely British phenomenon or part of a wider, existential crisis for the EU? As the tensions and complexities of the Brexit negotiations come to the fore, the collection of essays by leading scholars will prove a very valuable reference for their depth of analysis, their lucidity, and their outlining of future options.' - Kevin Featherstone, Head of the LSE European Institute, London School of Economics 'Brexit and Beyond is a must read. It moves the ongoing debate about what Brexit actually means to a whole new level. While many scholars to date have examined the reasons for the British decision to leave, the crucial question of what Brexit will mean for the future of the European project is often overlooked. No longer. *Brexit and Beyond* bundles the perspectives of leading scholars of European integration. By doing so, it provides a much needed scholarly guidepost for our understanding of the significance of Brexit, not only for the United Kingdom, but also for the future of the European continent.' - Catherine E. De Vries, Professor in the department of Government, University of Essex and Professor in the department of Political Science and Public Administration Free University Amsterdam 'Brexit and Beyond provides a fascinating (and comprehensive) analysis on the how and why the UK has found itself on the path to exiting the European Union. The talented cast of academic contributors is drawn from a wide variety of disciplines and areas of expertise and this provides a breadth and depth to the analysis of Brexit that is unrivalled. The volume also provides large amounts of expert-informed speculation on the future of both the EU and UK and which is both stimulating and anxiety-inducing.' -Professor Richard Whitman, Head of School, Professor of Politics and International Relations, Director of the Global Europe Centre, University of Kent

Brexit is sorry to hear EU leaving my dear. In the UK there are citizens who say "vote leave" or "vote stay" for the referendum of the European Union. college ruled white paper 120 pages matte cover soft cover (paperback)

From Boris Johnson to Nigel Farage, George Galloway to Michael Gove, the campaign to get Britain out of the EU brought together some of the most colourful characters in British politics. This once-in-a-generation opportunity to free the UK from the grip of Brussels saw egos put to one side and rivalries put on hold to push for a Leave vote in the EU referendum ... Or did it? As D-Day drew near, political reporter Owen Bennett went deep into Leave territory to reveal the inside story of the battle for Brexit. Behind a campaign promising hope and glory - but seemingly mired in blood, sweat and tears - Bennett discovered a plethora of Leave groups, all riven with feuds: the Tory 'posh boys' against the 'toxic' hardliners; UKIP's only MP against the rest of the party; Michael Gove's former lieutenant Dominic Cummings against almost everyone else. Charting the crusade from the massing of the UKIP foot soldiers after the general election to the arrival of the Cabinet cavalry after Cameron's Brussels deal and the dramatic final weeks' fighting on battle buses, *The Brexit Club* reveals the truth behind the campaign that divided friends, families and, ultimately, the country.

On 23 June 2016, against all forecasts, Britain voted to leave the EU. Drawing on his experiences at the heart of the campaign, Daniel Hannan dissects the result and our reaction. He outlines why Vote Leave won, exploring what people were voting for and what they weren ' t. He looks at the immediate aftermath – how it differs from what people expected and what it says about where to go next. Brexit, Hannan points out, is a process – not an event – with three key areas of consideration: our relationship with the remaining 27 EU states;our relationship with the rest of the world;and, crucially, our consequent domestic reforms – there is no point to Brexit if we don ' t now tackle the threats to democracy of corporatism and lobbying. What Next is Hannan ' s blueprint for a successful Brexit. A Brexit that addresses the concerns of the 48 per cent who voted Remain as well as of the 52 per cent who voted Leave, a Brexit that revitalises British democracy, and a Brexit that will be mutually beneficial for both Britain and Europe.

The first modern history of the 1975 European Referendum, ranging across 1970s Britain to assess why voters said 'Yes to Europe'.
