The World Geography Quick Starts workbook features a review of general geography terms and map skills, as well as units focusing on the seven continents: Africa, Antarctica, Asia, Australia & Oceania, Europe, North America, and South America. Activities include matching, short answer, true/false, word games, and map activities. Each page features two to four quick starts that can be cut apart and used separately. The entire page may also be used as a whole-class or individual assignment. The Quick Starts Series provides students in grades 4 through 8+ with quick review activities in science, math, language arts, and social studies. The activities provide students with a quick start for the day ' s lesson and help students build and maintain a powerful domain-specific vocabulary. Each book is correlated to current state, national, and provincial standards. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character.

A visual approach to world geography.

A "week one, day one" kind of teacher?s manual with daily geography drills and numerous weekly assignment choices that include: mapping activities, atlas usage, research, notebooking and culture. Daily drills at 3 different levels for versatility and multi-year usage. Students learn to recognize important characteristics and traits of each continent, read and create maps, identify key geographical terms and more. Finish up the year by reading Around the World in 80 Days, by Jules Verne. This course lays a solid foundation of world geography for students 2nd grade and up.

Addresses geography, history, and culture This engaging program introduces students to different regions of the world, the physical and human features of the earth, and cultural topics of special interest that help students of all abilities appreciate world geography and cultures.The manageable, accessible, single-concept approach is paced appropriately to help students successfully meet curriculum requirements.

Introduces students to geography concepts, such as map reading, latitude and longitude, days, seasons, wind belts, and ocean currents, through fun puzzles and word games. Each continent is explored through the five themes of geography: location, place, human-environment interaction, movement, and regions.

Includes hundreds of questions and answers about the earth's seven continents and 191 countries, providing information about people, places, landscapes, and languages.
